Explanatory notes to the Resolutions

Resolutions 3 to 13: Re-election of Directors and re-election/election of Independent Directors

In accordance with the recommendations of the Code, the Company has adopted a policy of requiring all Directors to seek re-election on an annual basis. Accordingly, the following Directors will be standing for re-election or, in the case of Mr N C Walsh who was appointed as a Director of the Company on 1st October 2014, election by the shareholders at the AGM:

Resolutions 3 to 9: Re-election of Directors and Non-Executive Directors

Mr G M T Howe	Chairman
Lord Leach	Deputy Chairman – Non-Executive Director
Mr D J Burke	Group CEO
Mr M F G Drummond Brady	Deputy Group CEO
Mr M T Reynolds	Group Finance Director
Lord Sassoon	Non-Executive Director
Mr J D R Twining	Group Commercial Director

Resolutions 10 to 13: Re-election and election of Independent Directors

Ms A E Court	Independent Non-Executive Director
Mr J D S Dawson	Independent Non-Executive Director and Chair of Audit & Risk Committee
Mr R J Harvey	Independent Non-Executive Director, Senior Independent Director and Chair of Remuneration Committee
Mr N C Walsh	Independent Non-Executive Director

Short biographies of the Directors who are standing for re-election and election are set out in the accompanying Annual Report and Accounts on pages 50 to 51 and on the website at www.jlt.com/investors/board-profile.

Under the FCA's Listing Rules, as updated in May 2014, because Jardine Matheson Holdings Limited is classed as a "controlling shareholder" (that is, it exercises or controls, either on its own or together with any person with whom it is acting in concert, 30 per cent. or more of the voting rights in the Company) a resolution for the election and re-election of Independent Directors (Resolutions 10 to 13 in this Notice of AGM) must be passed by a majority of votes cast by the independent shareholders of the Company (i.e. any shareholder that is not a controlling shareholder), as well as by a majority of votes cast by all the shareholders. If such a resolution is passed by a majority of votes cast by all shareholders, but it is not passed by a majority of votes cast by the independent shareholders, the Listing Rules permit a director to remain in office pending a further ordinary resolution of all the shareholders (including the controlling shareholder, Jardine Matheson Holdings Limited) to approve the election or re-election of that director. Such an ordinary resolution may only be voted on within the period of between 90 days and 120 days following the date of the original vote. In the event that the director's election or re-election is approved by a majority of votes cast by all the shareholders, the director will be re-elected/elected until the following annual general meeting.

The new provisions of the Listing Rules also require the Company to provide the following details:

Existing/Previous relationships: None of the Independent Directors seeking election or re-election at the Annual General Meeting has any existing or previous relationship, transaction or arrangement with the Company, nor its Directors and nor with any controlling shareholder of the Company or any associate of a controlling shareholder of the Company.

Effectiveness: Biographical details for each of the Independent Directors standing for election or re-election can be found on pages 50 to 51 in the Annual Report and Accounts.

Independence: In considering the Independent Directors' independence the Board has taken into consideration the guidance provided by the Code. The Board considers that Ms A E Court, Mr J D S Dawson, Mr R J Harvey and Mr N C Walsh are Independent Directors in accordance with Provision B.1.1 of the Code and that those directors remain independent in character and judgement and there are no relationships or circumstances which are likely to affect, or could appear to affect, the Director's judgement.

Selection: The Company's Nominations Committee considers the appointment and replacement of directors and will normally engage an independent search consultant with no connection to the Company to find appropriate candidates for the Board with the requisite skills and will take into account the relevant guidelines and legislation relating to the appointment of individuals to boards. The Nominations Committee may also consider candidates introduced to the Company from other sources. Details of the process undertaken in 2014 prior to Mr Walsh's appointment are set out on page 68 in the accompanying Annual Report and Accounts.

Following an external review of the Board in 2013 and having considered the performance and contribution of each of the Directors standing for election and re-election, the Board remains satisfied that the performance of each Director continues to be effective and demonstrates continued commitment to their role. As such, the Board recommends their election or re-election, as the case may be.

Resolution 14: Directors' Remuneration Report

Resolution 14 is the ordinary resolution to approve the Directors' Remuneration Report, other than the part containing the Remuneration Policy. This resolution is advisory in nature and does not affect the future remuneration paid to any director. The Directors' Remuneration Report is set out on pages 56 to 66 of the Annual Report and Accounts for the year ended 31st December 2014 which accompanies this notice.

A summary of the Remuneration Policy, which was approved by the shareholders at last year's AGM, is set out on pages 58 to 59 of the Annual Report and Accounts. The next resolution to approve the Remuneration Policy will be put to the shareholders no later than the 2017 annual general meeting.

Resolution 16: Share Buy-Back Authority

The proposed authority in Resolution 16 and the conditions which attach to it are within the guidelines laid down by the Investment Committees of the Association of British Insurers and the National Association of Pension Funds and by the FCA.

In common with a number of other listed companies, the Directors have in previous years included a resolution in the notice of the annual general meeting of the Company to give limited authority to make market purchases of Ordinary Shares. The Directors consider that it would be in the interests of all shareholders for the Company to be able to continue to have the right to purchase its own shares in the market. The Company did not, during the period 2009 to 2014 purchase any shares in the market. In 2008, the Company purchased 305,000 shares in the market pursuant to the authority levels previously granted at the 2007 annual general meeting and renewed at subsequent annual general meetings.

Accordingly, the Board is seeking authority for the Company to have the ability to purchase up to approximately 10 per cent. of the ordinary share capital of the Company in issue as at 6th March 2015, amounting to 21,899,881 Ordinary Shares. If the Directors exercise this authority, the maximum price payable by the Company on any repurchase of Ordinary Shares will be not more than 105 per cent., exclusive of all expenses, of the average middle market price of an Ordinary Share for the five business days immediately preceding such purchase. The minimum price payable by the Company will be 5p per share (the nominal value of each share) exclusive of all expenses.

The Directors will only continue to exercise the power to make market purchases of the Company's Ordinary Shares if they believe that it is in the best interests of the shareholders and will result in an improvement in earnings per share. In exercising this authority, the Directors will neither be encouraging nor recommending shareholders to buy or sell shares in the Company nor in any way suggesting that it is an appropriate time to deal in such shares.

Pursuant to the Act, the Company now has the choice of cancelling shares which have been repurchased or holding them as treasury shares (or a combination of both). Treasury shares are essentially shares which have been repurchased by the Company and which it is allowed to hold pending either reselling them for cash, cancelling them or, if authorised, using them for the purposes of its employee share plans. The Directors believe that it is desirable for the Company to have this choice, although the current intention is to hold any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares would give the Company the ability to re-issue them quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of treasury shares. As at the date of this Notice of AGM, the Company has 1,143,131 treasury shares in issue, which represents 0.52 per cent. of the total ordinary share capital of the Company in issue as at 6th March 2015, excluding treasury shares.

As was the case in 2014, the Board will not this year be seeking shareholder approval for a 'Rule 9' dispensation pursuant to the Takeover Code in relation to the share buy-back authority. This means that, in the event that the Directors were to initiate a share buy-back within the authority approved, in order to avoid triggering a mandatory offer obligation upon Jardine Matheson Holdings Limited (JMHS) under Rule 37 of the Takeover Code, JMHS would need to participate in any such buy-back so that its overall percentage holding did not increase following the buy-back. At 6th March 2015 (the latest practicable date prior to the posting of this document), JMHS hold an interest of 40.16 per cent. of the issued share capital excluding treasury shares. The highest percentage held by JMHS in the Company in the twelve months preceding the date of this document was 40.17 per cent.

As at 6th March 2015, there were 680,529 outstanding options to subscribe for ordinary shares in the Company granted under share option schemes operated by the Company which, if exercised, would represent 0.31 per cent. of the issued ordinary share capital of the Company, excluding any shares held in treasury. If this authority were exercised in full, that percentage would increase to 0.35 per cent.

Resolutions 17: Renewal of the Board's authority to allot shares

Shareholders are being asked, pursuant to the provisions of Section 551 of the Act, to renew the authority for the allotment of shares which was conferred on the Board at the annual general meeting held in 2014.

If Resolution 17 is passed, the new authority would permit the allotment of relevant securities with an aggregate nominal value of up to £3,613,480 representing 72,269,600 Ordinary Shares and representing 33 per cent. of the total ordinary share capital of the Company in issue as at 6th March 2015, excluding treasury shares. This is consistent with guidelines set by the Association of British Insurers. This authority shall expire on the date of the annual general meeting in 2016 or on 1st July 2016 whichever is the earlier. Save for the allotment of Ordinary Shares under the Company's share option schemes, or as may arise with the acquisition of minority interests, the Directors have no present intention to exercise this authority.

Resolution 18: Disapplication of pre-emption rights

Shareholders are being asked, pursuant to Section 561(1) of the Act, to grant authority for a further year for disapplication (under the provisions of Section 570 of the Act) of the pre-emption provisions contained in this Act. Accordingly, Resolution 18 proposes an authority, until the earlier of the date of the annual general meeting in 2016 or 1st July 2016, to issue Ordinary Shares for cash consideration either by way of a rights issue or to persons other than existing shareholders, in the latter case limited to a total of some 11,007,097 Ordinary Shares, representing approximately 5 per cent. of the Company's issued ordinary share capital at 6th March 2015, including treasury shares.

The Directors note the provisions in the Pre-emption Group's Statement of Principles not to allot shares for cash on a non pre-emptive basis, other than pursuant to a pre-emptive offer, in excess of an amount equal to 7.5 per cent. of the total ordinary share capital of the Company in issue within a rolling three-year period without prior consultation with shareholders.

Resolution 19: Notice of meeting

The EU Shareholder Rights Directive was implemented in the UK in August 2009. One of the requirements of the Directive is that all general meetings must be held on 21 clear days' notice unless shareholders agree by special resolution to a shorter notice period (other than annual general meetings, which require 21 clear days' notice). The Company wishes to preserve the ability to call general meetings (other than annual general meetings) on 14 days' notice, which was approved by shareholders at the 2014 annual general meeting. Accordingly Resolution 19 seeks approval from shareholders to the calling of meetings on 14

days' notice. The shorter notice period will not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The Company will also need to make a means of electronic voting available to all shareholders for the meeting in question. This approval will be effective until the Company's next annual general meeting, when it is intended to propose a similar resolution.

Action to Be Taken

A form of proxy for use in connection with the Annual General Meeting is enclosed. Whether or not you intend to be present at the Annual General Meeting, you are asked to complete and return the form of proxy in accordance with the instructions printed thereon as soon as possible and, in any event, so that it is received not later than 12.00 noon on 29th April 2015. The completion and return of a form of proxy will not preclude you from attending the Annual General Meeting and voting in person if you so wish.

If you are a CREST member you can vote via the CREST system and further information is given on pages 11 and 12.

Further Information

Your attention is drawn to the Annual Report and Accounts which are enclosed with this document.

Recommendations

The Directors consider the resolutions to be put to you at the Annual General Meeting to be in the best interests of shareholders as a whole and unanimously recommend you to vote in favour of such resolutions at the Annual General Meeting.

Yours faithfully

Geoffrey Howe
Chairman

Notes:

1. A copy of this Notice of Meeting and other information required by Section 311A of the Act is also included on the Jardine Lloyd Thompson Group plc website at the following address: <http://www.jlt.com/investors/shareholder-circulars-agm>
2. A member is entitled to appoint one or more proxies to exercise all or any of his rights to attend, speak and vote at the meeting. Proxies need not be members of the Company. Where more than one proxy is appointed, each proxy must be appointed for different shares.
3. A form of proxy is enclosed. The appointment of a proxy will not prevent a shareholder from subsequently attending and voting at the meeting in person.
4. To be effective, the instrument appointing a proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be deposited at the offices of the Company's Registrars not later than 12.00 noon on 29th April 2015, or not less than 48 hours before the adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used.
5. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Act ("nominated persons"). Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
6. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) of the meeting by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in paragraph 4 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry

to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

7. Holders of Ordinary Shares are entitled to attend and vote at general meetings of the Company. The total number of issued Ordinary Shares in the Company on 6th March 2015, which is the latest practicable date before the publication of this document, is 218,998,814 excluding treasury shares. On a vote by show of hands every member who is present has one vote and every proxy present who has been duly appointed by a member entitled to vote has one vote. On a poll vote every member who is present in person or by proxy has one vote for every Ordinary Share of which he is the holder.
8. Copies of all contracts of service under which Directors of the Company are employed by the Company or any of its subsidiaries are available for inspection at the Company's registered office and at the offices of Linklaters, One Silk Street, London EC2Y 8HQ during business hours on any weekday (Saturdays and public holidays excluded) and will also be available for inspection at the place of the meeting from 15 minutes before it is held until its conclusion. A copy of the register of interests of the Directors of the Company will be available for inspection at the place of the meeting from 15 minutes before it is held until its conclusion.
9. The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those shareholders entered on the Company's register of members at 6.00 pm on 29th April 2015 or, if the meeting is adjourned, on the Company's register of members 48 hours before the time fixed for the adjourned meeting, shall be entitled to attend or vote at the meeting in respect of the number of Ordinary Shares registered in their name at that time. Changes to entries on the Company's register of members after 6.00 pm on 29th April 2015 or, if the meeting is adjourned, 48 hours before the time fixed for the adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at the meeting.
10. Shareholders should note that, on a request made by shareholders of the Company under Section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting for the financial year beginning 1st January 2014; or (ii) any circumstances connected with an auditor of the Company appointed for the financial year from 1st January 2014 ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 and 528 (requirements as to website availability) of the Act. Where the Company is required to place a statement on a website under Section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the annual general meeting for the relevant financial year includes any statement that the Company has been required under Section 527 of the Act to publish on a website.
11. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
12. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
13. You may not use any electronic address provided either in this Notice of Meeting or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.
